ORC doesn't, but SEMD does. She was the SW Regional manager for the MTCA program, so she's been involved with Commencement Bay, Hamilton-Labree, Portland Harbor (a bit), Bradford Island, etc. She's an environmental engineer and a hydro, so she's very technically competent.

I'll ask SEMD folks what they think of her.

Hello Everyone:

I want to make sure everyone knows that I am in a new role now as the Interim Program Manager for the Toxics Cleanup Program here at Ecology. This is the position formally held by Jim Pendowski, who is now the Administrative Services Director at the agency. In addition, Pete Striplin, who was an active participant on the TAG Ex. 6 Personal Privacy (PP)

Andy Smith, who is an environmental engineer and unit supervisor in the SWRO-TCP, is now participating as part of the TAG. I will remain as the management point of contact.  
Marian Abbett, who is acting in my old position as the SWRO-TCP Section Manager, will not become involved in this project.

Hopefully this clarifies the Ecology staff and their roles in this project. Please let me know if you have any questions.

Thanks,  
Rebecca

Hello Leah / Eric -

Now that Leah has returned to her regular duties, after covering for Richard Whitman, I am wondering if you've had some time to discuss the next Bradford Island Managers meeting? If there are no objections, I'll go ahead and send the poll early next week.

Thank you,  
rose

Hello. It has been more than 6 months since our last Bradford Island Managers discussion. I recommend a quick check-in and followup on:

- Highlights of current site activities;
- Status of the NPL listing; and
- Status of the MOU

If Eric and Leah would like to discuss / coordinate a meeting (as indicated below) for later this month that would be great. Otherwise, I am happy to send out a doodle poll.

Thank you,  
rose

Hello everyone,

I had said I would send out next steps/action items, so I apologize that this is delayed. Here are the next steps:

1. Meetings:
  - a. We decided the TAG meetings would continue on a monthly basis.
  - b. We decided the manager meetings would continue on a quarterly basis. Eric (ACE) to coordinate and/or coordinate with Leah (ODEQ) first.
2. MOU:
  - a. Everyone needs to look at the MOU and determine if it is signable before the next managers meeting. Please coordinate with your respective counsel for your recommendation.

Anything I missed?

Leah
